

FOOTBALL ZAJEDNO

Opening Conference Sarajevo, 16 – 17 October 2017

Provisional Programme

The fairplay Initiative, the Football Associations of Bosnia and Herzegovina, Serbia and Montenegro started the joint project **Football Zajedno**. Its aim is to use the popularity of football as a medium for promoting intercultural dialogue, human rights and social inclusion. The project will empower disadvantaged groups and enhance the equal participation of girls and women in and through football. The conference will bring together relevant partners and stakeholders as well as relevant NGOs, minority groups, grassroots initiatives and football clubs and associations from the Western Balkan region.
